at the heart of walking

**Mid Lancashire Area**

Covid-19 started in Mar 20 and continued to restrict RA activities for much of the year.

Life seemed to have resumed something akin to normal by Spring.

As per usual I will continue with the good news – like this new gate.

Another new gate.

A new stile, with an unusual design.

A replacement footbridge.

Replacement footpath sign.

It is unfortunately a repeat of previous years in that there seems to be more bad news than good news.

A broken stile.

Another broken stile.

And another broken stile.

And yet another broken stile.

And yet another broken stile.

Broken decking on a footbridge.

A field ploughed to the edge – no headland.

This is the now the annual spot the footpath sign challenge.

Part Two is about claiming  
Lost Ways and  
Coastal Access.
