Come Rambling!

with the
Ramblers' Association

June 1984

All the rambles in this programme are planned and led by members of the Ramblers' Association, but non-members are invited to join any of the walks or excursions. Please come properly equipped - strong footwear, suitable protective clothing and food and drink for day-long rambles.

The Programme

The meeting place for all rambles is the first place stated on each date. For a car ramble, cars meet at the place and time stated for shared transport to the ramble starting point.

A Rail Rambler is a public excursion by special train with a choice of guided walks. Leaflets, train times and tickets from local stations about 3 weeks before date of excursion.

A Winter Rail Rambler is an outing by scheduled train with a special fare and choice of guided walks. Tickets are limited and available only from Preston and Blackpool stations.

Map and compass tuition can be arranged.

Social events are held regularly through the year.
